**Independent Auditor's Report**

We have audited the accompanying financial statements of 350.Org (the Organization) (a nonprofit organization), which comprise the statement of financial position as of September 30, 2013, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

***Auditor's Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independent Auditor's Report

**NOTE A – ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Organization**

350.Org (the Organization) is a dynamic and highly collaborative climate change campaign building a global grassroots movement to solve the climate crisis. The Organization works with volunteers in countries around the world, using online tools to facilitate strategic campaigns, grassroots organizing, and public engagement actions in order to communicate both the realities of science and principles of justice and help realize the solutions that will ensure a better future for all.

The Organization is supported primarily by grants and contributions.

The major programs of the Organization are as follows:

***Domestic Field:*** The Domestic Field program campaigns to bring US federal and local policy in line with the scientific necessities of tackling the climate crisis. This work is accomplished through building broad and deep connections to support community level organizing nation-wide, as well as identifying key moments to elevate an issue and advocate for social change.

***Global Field:*** The Global Field program campaigns to bring international and national policy more in line with the scientific necessities of tackling the climate crisis. This work is accomplished by building broad and deep connections to support an international network of climate activists in nearly every country on Earth, as well as identifying key moments to elevate an issue and push for social change.

***Policy:*** The Policy program encompasses three goals: 1) to translate relevant, in-district activity to policymakers on Capitol Hill, 2) to analyze US federal action and legislation and disseminate this information back to the Organization's network of allies, supporters, organizers, and committed individuals and 3) to analyze opportunities for campaigning by organizers in-district.

***Communications:*** The Communications program works to shape the terms of debate on climate change internationally and domestically through a creative and incisive narrative and a sophisticated media strategy encompassing both traditional and new media.

***Web:*** The Web program works to facilitate dialogue and organizing amongst individuals, organizers, and organizations in the global climate movement around the world. This work is accomplished through online media such as emails, blogs, and social networks, multimedia such as photo galleries and videos, and web tools such as online maps that allow users to more quickly and easily understand how to connect to a global movement for change.

**NOTE A – ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**  
**(Continued)**

<b>Basis of Accounting</b>	The accompanying financial statements are presented on the accrual basis of accounting. Consequently, revenue is recognized when earned and expenses when incurred.
<b>Income Taxes</b>	<p>The Internal Revenue Service has ruled the Organization to be exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code (the Code) and it is not a private foundation within the meaning of Section 509(a) of the Code. However, income from certain activities not directly related to the Organization's tax exempt purpose is subject to taxation as unrelated business income. The Organization had no net unrelated business income for the year ended September 30, 2013.</p> <p>The Organization requires that a tax position be recognized or derecognized based on a "more-likely-than-not" threshold. This applies to positions taken or expected to be taken in a tax return. The Organization does not believe its financial statements include, or reflect, any uncertain tax positions. The Organization's IRS Form 990, Return of Organization Exempt from Income Tax, is subject to examination by the federal and state authorities, generally for three years after it is filed.</p>
<b>Cash and Cash Equivalents</b>	For financial statement purposes, the Organization considers all cash held in demand deposit accounts to be cash and cash equivalents.
<b>Pledges and Grants Receivable</b>	The Organization records pledges and grants receivable at estimated net realizable value. The Organization reviews the collectability of the receivables on a regular basis, and no reserve for doubtful accounts has been established because management expects to collect receivables in full.
<b>Fixed Assets</b>	The Organization capitalizes all fixed asset acquisitions greater than \$500. Fixed assets are recorded at cost, if purchased or at fair market value, if donated. Depreciation is computed using the straight-line method over the useful lives of the assets. Maintenance and repairs are charged to expense when incurred.
<b>Revenue Recognition</b>	<p>Unconditional contributions are recorded as support, at fair value, when received or when promised. Contributions that are restricted by the donor are reported as increases in temporarily or permanently restricted net assets, depending on the existence and/or nature of the restriction. When the stipulated time restriction ends or the purpose of the restriction is met, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement activities as net assets released from restrictions.</p> <p>Contributed securities are recorded at fair value on the date of gift and are generally sold immediately.</p>

**NOTE A – ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**  
(Continued)

**Donated  
Services**

Donated services are recognized as contributions if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Organization.

Volunteers also provided various services throughout the year that are not recognized as contributions in the financial statements since the recognition criteria were not met.

**Net Assets**

For financial statement purposes, net assets are recorded as follows:

***Unrestricted:*** Unrestricted net assets include those net assets whose use is not restricted by donors, even though their use may be limited in other respects, such as by board designation.

***Temporarily restricted:*** Temporarily restricted net assets include those net assets whose use by the Organization has been donor restricted by specific time or purpose limitations.

**Functional  
Allocation of  
Expenses**

The costs of providing various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services they directly benefit or upon management's estimates of the proportion of these costs applicable to each function.

**Use of  
Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**Prior Year  
Information**

The financial statements include certain prior year summarized comparative totals as of and for the year ended September 30, 2012. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the financial statements for the year ended September 30, 2012, from which the summarized information was derived.

**Reclassifications**

Certain 2012 amounts have been reclassified for comparative purposes.

The Organization maintains a cash balance at a financial institution. The account at this institution is insured by the Federal Deposit Insurance Corporation (FDIC) up to a certain amount. At times during the year, the Organization's cash balance exceeded the FDIC insurance amount. Management believes the risk in this situation to be minimal.
